## 5. Learning environment

When pupils are at school, learning will generally take place in the classroom. However, the extensive grounds are also used for learning as appropriate. We also have a large hall and music studio.

These spaces will be kept safe, clean and ready for pupils to use them.

They will be arranged to promote learning through:

- Clearly labelled, comfortable and attractive zones such as reading corners and quiet areas
- Posters of material pupils have previously learned about and can identify
- Accessible resources for learning such as books, worksheets and other equipment
- A seating layout that allows everyone to see the board and participate
- Displays that celebrate and support pupils' learning

## 6. Adaptation

Teaching and learning at our school will take the backgrounds, needs and abilities of all pupils into account.

We will adapt learning to cater to the needs of all of our pupils, including:

- Pupils with English as an additional language (EAL)
- Disadvantaged pupils
- Using support staff effectively to provide extra support
