13<sup>TH</sup> APRIL 2026

## Here comes summer!

The summer term has now officially started, and whilst we are still very much in the season of Spring currently, we will be using our grounds to look for the constant changes as we move towards the warmer part of the year.

Our school pond is full of frogs and frogspawn - so do look out for them 'crossing the paths' when dropping off and picking up! The trees in our orchard - apple and pear trees are getting ready to blossom and we are hoping for a better year for fruit this year!

We are very fortunate to have the amazing grounds that surround the school and we use every bit of them for learning, discovery and play. Please help us to keep them tidy by ensuring that no litter is dropped at drop off or pick up times.

## Academic snapshot reports Years 1-6

Before the end of the Spring term you were sent, via email, a copy of your child's latest academic results for Reading, Writing, Mathematics and Science. We do this to keep you as informed as possible with the latest assessment results. However, only 58% of reports have been opened by parents which is quite surprising! Please do check your junk mail if you can not find the email within your inbox.

## Keep Informed dates coming up this half term...

We try to set most of our dates from the start of the academic year so that you can plan what you are able to attend. At the end of this term we will have our sports days: a separate early years sports day for pre-school and reception on the 19<sup>th</sup> May in the afternoon and then the main sports day on Friday 22<sup>nd</sup> May with KS1 competing in the morning and KS2 competing in the afternoon. We will also be holding our family picnic for children from reception to Year 6 on the same day. These dates have been in the calendar since September.

## The next two weeks...

Monday 13th April	Summer term starts at 8:40am
Tuesday 14th April	
Wednesday 15th April	Choir restarts
Thursday 16th April	Sycamore class swimming Didcot Library visiting pre-school and Reception National offer day for reception class starters September 2026
Friday 17th April	
Monday 20th April	
Tuesday 21st April	
Wednesday 22nd April	National child measurement and weight programme Reception and Year 6 Year 4 go to PGL Residential No choir this week
Thursday 23rd April	Year 4 residential
Friday 24th April	Year 4 return to school (during the school day - to be picked up at usual time).

## Breakfast Club - please book and pay in advance

Please make sure that if you want your child to attend our breakfast club, that the sessions are booked and paid for in advance. There is an extra charge for ad hoc bookings on the day and we can not guarantee that there will be spaces.

## **Invitation to PSHE Curriculum Review meeting on Thursday 7<sup>th</sup> May at 5pm**

### **Please note this is a PARENT/CARER only meeting - no children to be present**

At DPA, we are committed to providing high quality Personal, Social, Health and Economic Education that supports your child's development and wellbeing throughout their time with us.

### **Reviewing our PSHE Provision**

We are currently reviewing our PSHE curriculum in line with the DFE's updated statutory guidance for Relationships, Sex and Health Education (published 2025, for implementation from September 2026). This is an positive opportunity to bring our curriculum content up to date in a changing world, whilst navigating our age-appropriate focus on the core knowledge and essential skills that children need to navigate different aspects of their lives with confidence, both in and beyond primary school.

At DPA we use Jigsaw, the mindful approach to PSHE, as our comprehensive scheme of work. The programme consists of six half term units (Puzzle pieces): Being Me in My World, Celebrating Difference, Dreams and Goals, Health Me, Relationships and Changing Me. Each Puzzle contains lessons that build progressively throughout the school, developing children's emotional literacy, self-esteem, resilience and understanding of how to build positive, healthy relationships.

The updated guidance enhances the Jigsaw programme that we already know and trust, rather than requiring radical changes. The strong foundations remain the same - we continue to focus on building the fundamental skills and knowledge children need - whilst ensuring our content reflects the world they are growing up in. As part of our review we are also considering how we adapt the programme content to best suit the needs and context of our school community.

### **Your views matter**

As part of our review process, we warmly invite you to attend a consultation sessions where you will have the opportunity to:

- Learn about the Jigsaw PHSE programme and how it is taught across all year groups
- See examples of the materials and resources we use
- Understand how our curriculum meets statutory requirements for Relationships and Health Education
- Ask questions about any aspect of our PSHE provision
- Share your views and feedback to help inform our curriculum decisions
- Understand you right to request withdrawal from specific non-statutory Sex Education lessons

### **Working in partnership**

We believe that PSHE education is most effective when schools and families work together. Your child's wellbeing, safety and personal development are at the heart of everything that we do, and we value your input. We look forward to sharing our provision with you and hearing your views. If you are not able to attend but have a question, please email the school office and we will get back to you.

## 2026 Summer 1

When	Who	What...
13 <sup>th</sup> April	Whole school	Summer 1 starts at 8:40am
16 <sup>th</sup> April	Year 3 Sycamore class	Sycamore class start swimming
