- Read and write numbers to 10 000 000
- Powers of 10
- Compare and order any integer
- Round any integer
- Negative numbers

Addition, Subtraction, Multiplication and Division

- Add and subtract integers
- Common factors and multiples
- Rules of divisibility
- Prime numbers to 100
- Square and cube numbers
- Multiply up to a four digit number by a two digit number
- Solve problems with multiplication
- Short division
- Division using factors
- Long division without and then with remainders
- Multi step problems
- Order of operations
- Estimation and checking

Fractions

- Equivalent fractions and simplifying
- Compare and order by numerator and denominator
- Add and subtract simple fractions and mixed numbers
- Multiply and divide fractions by fractions and integers
- Fractions of amounts

Converting Units

- Metric and imperial units
- Converting units
- Miles and Kilometers

Science

Light Theory

- How light travels
- How we see
- Visible light
- Shadows and reflections
- Measuring light

Evolution and Inheritance

- Classifying living things - 5 kingdoms
- Classifying fossils
- Theory of evolution
- Inheritance
- Natural selection
- Plant adaptations

Computing

Communication and collaboration

- Exploring how data is transferred by working collaboratively online

Webpage creation

- Designing and creating webpages, giving consideration to copyright, aesthetics, and navigation.

Art

Colour and Style

- Revisit colour theory
- Learn about colour use in four art movements
